Property: 270 and 288 Main Street (Assessor's Parcel Numbers

056-240-080, 056-240-120, and 056-240-130)

Agency Negotiator: David Dickson, General Manager Negotiating Parties: Tom Minaidis and June Minaidis Under Negotiation: Price and Terms of Payment

B. Conference with Real Property Negotiators

Pursuant to California Government Code Section 54956.8

Property: 310 and 320 Main Street (Assessor's Parcel Numbers

056-163-080, 056-163-070)

Agency Negotiator: David Dickson, General Manager

Negotiating Parties: Zaballa Square Investments, LP/David Cresson

Under Negotiation: Price and Terms of Payment

4) RECONVENE TO OPEN SESSION

Public report of closed session action.

5) ADJOURNMENT

Accessible Public Meetings - Upon request, the Coastside County Water District will provide written agenda materials in appropriate alternative formats, or disability-related modification or accommodation, including auxiliary aids or services, to enable individuals with disabilities to participate in public meetings. Please send a written request, including your name, mailing address, telephone number and brief description of the requested materials and preferred alternative format or auxiliary aid or service at least two (2) days before the meeting. Requests should be sent to: Coastside County Water District, Attn: Alternative Agenda Request, 766 Main Street, Half Moon Bay, CA 94019.

COASTSIDE COUNTY WATER DISTRICT

766 MAIN STREET

HALF MOON BAY, CA 94019

REGULAR MEETING OF THE BOARD OF DIRECTORS

Tuesday, November 10, 2015 - 7:00 p.m.

AGENDA

The Coastside County Water District (CCWD) does not discriminate against persons with disabilities. Upon request, the agenda and agenda packet materials can be provided in a format to accommodate special needs. If you require a copy of the agenda or related materials in an alternative format to accommodate a disability, or if you wish to attend this public meeting and will require special assistance or other special equipment, please call the District at (650) 726-4405 in advance and we will make every reasonable attempt to provide such an accommodation.

All public records relating to an open session item on this agenda, which are not exempt from disclosure pursuant to the California Public Records Act, that are distributed to a majority of the legislative body will be available for public inspection at the CCWD District Office, located at 766 Main Street, Half Moon Bay, CA at the same time that the public records are distributed or made available to the legislative body.

This agenda and accompanying materials can be viewed on Coastside County Water District's website located at: www.coastsidewater.org.

The Board of the Coastside County Water District reserves the right to take action on any item included on this agenda.

- 1) ROLL CALL
- 2) PLEDGE OF ALLEGIANCE
- 3) PUBLIC COMMENT

At this time members of the public may address the Board of Directors on issues not listed on the agenda which are within the purview of the Coastside County Water District. Comments on matters that are listed on the agenda may be made at the time the Board is considering each item. Each speaker is allowed a maximum of three (3) minutes and must complete and submit a speaker slip. The President of the Board will recognize each speaker, at which time the speaker should proceed to the podium, give their name and address and provide their comments to the Board.

4) CONSENT CALENDAR

The following matters before the Board of Directors are recommended for action as stated by the General Manager. All matters listed hereunder constitute a Consent Calendar, are considered as routine by the Board of Directors, and will be acted upon by a single vote of the Board. There will be no separate discussion of these items unless a member of the Board so requests, in which event the matter shall be removed from the Consent Calendar and considered as a separate item.

- A. Approval of disbursements for the month ending October 31, 2015:
 Claims: \$634,407.05; Payroll: \$85,299.04 for a total of \$719,706.09 (attachment)
 October 2015 Monthly Financial Claims reviewed by Director Flint
- **B.** Acceptance of Financial Reports (attachment)
- C. Monthly Water Transfer Report (attachment)
- **D.** Approval of Minutes of October 13, 2015 Regular Board of Directors Meeting (attachment)
- E. Approval of Minutes of October 29, 2015 Special Board of Directors Meeting (attachment)
- F. Installed Water Connection Capacity and Water Meters Report (attachment)
- **G.** Total CCWD Production Report (attachment)
- H. CCWD Monthly Sales by Category Report October 2015 (attachment)
- I. October 2015 Leak Report (attachment)
- J. Rainfall Reports (attachment)

5) MEETINGS ATTENDED / DIRECTOR COMMENTS

6) MONTHLY INFORMATIONAL REPORTS

- **A.** Operations Report (attachment)
- **B.** Water Resources Report (attachment)
- 7) DIRECTOR AGENDA ITEMS REQUESTS FOR FUTURE BOARD MEETINGS
- 8) ADJOURNMENT

STAFF REPORT

To: Coastside County Water District Board of Directors

From: David Dickson, General Manager

Agenda: November 10, 2015

Report

Date: November 3, 2015

Subject: Monthly Water Transfer Report - October 2015

Recommendation:

None. For Board information purposes only.

Background:

At the December 10, 2002 Board meeting and November 18, 2003 Special Board meeting, the Board made several changes to the District's water transfer policy. One of the changes directed the General Manager to approve routine water transfer applications that met the District's criteria as embodied in Resolution 2002-17 and Resolution 2003-19. The General Manager was also directed to report the number of water transfers approved each month as part of the monthly Board packet information.

During the month of October, five applications to transfer five (5) -- 5/8" (20 gpm) non-priority water service connection was approved. A spreadsheet reporting these transfers follows this report as well as the approval memorandums from Patrick Miyaki and the confirmation letters from Gina Brazil.

Memorandum

TO: Gina Brazil

FROM: Patrick T. Miyaki

DATE: October 7, 2015

RE: Application to Transfer Uninstalled Non-Priority Water Service Connection from

James Boyle to Cesar Sanchez-Contreras and Moises & Dayna Contreras

Gina, I have reviewed the Application to transfer one 5/8-inch uninstalled non-priority water service connection from property owned by James Boyle (APN 047-233-340) to property owned by Cesar Sanchez-Contreras and Moises & Dayna Contreras(APN 047-244-240).

The Application is generally in order and satisfies the requirements of the District's General Regulations Regarding Water Service, Section U, Transfer of Uninstalled Water Service Connection Rights.

Please do not hesitate to contact me if you have any questions or want to discuss this matter in more detail.

RE: Approval - Request for Transfer of Water Service Connection Capacity

Dear Property Owners:

This is official confirmation that the Coastside County Water District has approved your request to transfer one – 5/8" non-priority water service connection. The result of this transfer is as follows:

- **APN 047-233-340** continues to have the right to three 5/8" (20 gpm) non-priority water service connection from the Coastside County Water District; and
- **APN 047-244-240** now has a one 5/8" (20 gpm) non-priority water service connection assigned to it from the Crystal Springs Project.

Please be advised that the City Council of the City of Half Moon Bay has taken the position that the transfer of a water service connection meets the definition of "development" so as to require a coastal development permit from the City. Applicants are advised to investigate this issue further with the City of Half Moon Bay Planning Department if applicable. The Coastside County Water District, in approving this application, does not make any representations or warranties with respect to further permits or approvals required by other governmental agencies, including the City of Half Moon Bay.

Sincerely,

Office Manager

MINUTES OF THE BOARD OF DIRECTORS MEETING

Tuesday, October 13, 2015

1) ROLL CALL: President Chris Mickelsen called the meeting to order at 7:00 p.m. Present at roll call: Directors Ken Coverdell, Steve Flint, Glenn Reynolds and Vice-President Arnie Glassberg.

Also present: David Dickson, General Manager; Mary Rogren, Assistant General Manager; Patrick Miyaki, Legal Counsel; Joe Guistino, Superintendent of Operations; JoAnne Whelen, Administrative Assistant/Recording Secretary; Cathleen Brennan, Water Resources Analyst; and Gina Brazil, Office Manager.

- 2) PLEDGE OF ALLEGIANCE
- 3) **PUBLIC COMMENT -** There were no public comments.
- 4) CONSENT CALENDAR
 - **A.** Approval of disbursements for the month ending September 30, 2015: Claims: \$1,200,191.10; Payroll: \$87,981.24 for a total of \$1,288,172.34
 - September 2015 Monthly Financial Claims reviewed and approved by Director Glenn Reynolds
 - **B.** Acceptance of Financial Reports
 - C. Monthly Water Transfer Report
 - D. Approval of Minutes of September 8, 2015 Regular Board of Directors Meeting
 - E. Installed Water Connection Capacity and Water Meters Report
 - **F.** Total CCWD Production Report
 - G. CCWD Monthly Sales by Category Report September 2015
 - H. September 2015 Leak Report
 - I. Rainfall Reports
 - J. San Francisco Public Utilities Commission Hydrological Report for August 2015
 - **K.** San Francisco Public Utilities Commission Hydrological Report for September 2015

- L. Request for Board to Provide Authorization to Write Off Bad Debts for Fiscal Year ending 2014-2015
- M. Resolution 2015-11 to Amend Resolution 2015-08 Regarding the Rate and Fee Schedule

Director Reynolds reported that he had reviewed the monthly claims and found all to be in order.

ON MOTION BY Director Coverdell and seconded by Director Glassberg, the Board voted as follows, by roll call vote, to accept and approve the Consent Calendar in its entirety:

President Mickelsen	Aye
Director Coverdell	Aye
Director Flint	Aye
Vice-President Glassberg	Aye
Director Reynolds	Aye

5) MEETINGS ATTENDED / DIRECTOR COMMENTS

Vice-President Glassberg reported that he had attended the recent Recycled Water Committee meeting with Mr. Dickson and Ms. Rogren.

President Mickelsen provided an update on the Mountain Tunnel project as reported at the last BAWSCA meeting.

6) GENERAL BUSINESS

A. <u>El Granada Pipeline Replacement Final Phase Project - Adoption of Mitigated Negative Declaration and Approval of the Project</u>

Mr. Dickson summarized the background of the project, described the project details and reviewed the history of the District's California Environmental Quality Act (CEQA) efforts. Mr. Dickson also introduced Stephen Tarantino, P.E., Vice President of Erler & Kalinowski (EKI) and Jonathan Hidalgo, Environmental Planner with WRA Environmental Consultants.

ON MOTION BY Vice-President Glassberg and seconded by Director Flint, the Board voted by roll call vote, to approve Resolution 2015-12 Adopting a Mitigated Negative Declaration for the El Granada Pipeline Replacement Final Phase Project and Approving the Project:

President Mickelsen	Aye
Director Coverdell	Aye
Director Flint	Aye
Vice-President Glassberg	Aye
Director Reynolds	Aye

B. Quarterly Financial Review

Ms. Rogren reviewed the key highlights of the first quarter of Fiscal Year 2015-2016, including year-to-date revenue of \$154,000 below budget, noting that it is primarily due to greater than projected water use reductions. She also summarized details of the \$244,000 under plan in year-to-date expenses.

7) GENERAL MANAGER'S REPORT AND MONTHLY INFOMATIONAL REPORTS

Mr. Dickson thanked Ms. Rogren and the staff for handling the District's business so competently during his vacation in September. He also updated the Board with details of the recent meetings of the Recycled Water Committee.

- **A.** Operations Report Mr. Guistino reviewed monthly highlights, including the Washington-Ventura Street Main Replacement Project, the Highway 92 water leak and the updates to the Nunes Caustic Feed System.
- **B.** Water Resources Report Ms. Brennan provided a report on the water savings update, the 2015 Urban Water Management Plan, and results of the end of water year 2015.
- 8) DIRECTOR AGENDA ITEMS REQUESTS FOR FUTURE BOARD MEETINGS

There were no requests from the Directors for any future agenda items.

9) ADJOURNMENT - The meeting was adjourned at 7:48 p.m.

	Respectfully submitted,
	David R. Dickson General Manager Secretary of the District
 Chris Mickelsen, President Board of Directors

MINUTES OF THE SPECIAL MEETING OF THE BOARD OF DIRECTORS THURSDAY, OCTOBER 29, 2015

1) ROLL CALL - President Chris Mickelsen called the special meeting to order at 2:04 p.m. Present at roll call: Directors Ken Coverdell, Glenn Reynolds and Steve Flint. Vice-President Glassberg was absent. Also present were: David Dickson, General Manager; Mary Rogren, Assistant General Manager, JoAnne Whelen, Administrative Assistant/Recording Secretary; and Cathleen Brennan, Water Resources Analyst.

2) PUBLIC COMMENT

There were no public comments.

3) SPECIAL ORDER OF BUSINESS

A. Resolution Readopting a Mitigated Negative Declaration and Adopting Mitigation Monitoring and Reporting Program for the El Granada Pipeline Replacement Final Phase Project and Reapproving the Project

Mr. Dickson provided the background of this agenda item, explaining that this Resolution will have the effect of correcting a minor inconsistency in the Initial Study/Mitigated Negative Declaration (IS/MND) for the El Granada Pipeline Replacement Final Phase Project, which was discovered after the Board adopted the IS/MND on October 13, 2015. He noted that it also adopts the required Mitigation Monitoring and Reporting Program associated with the IS/MND.

ON MOTION BY Director Coverdell and seconded by Director Reynolds, the Board voted, by roll call vote, to approve Resolution 2015-13 Readopting a Mitigated Negative Declaration and Adopting Mitigation Monitoring and Reporting Program for the El Granada Pipeline Replacement Final Phase Project and Reapproving the Project:

President Mickelsen	Aye
Director Coverdell	Aye
Vice-President Glassberg	Absent
Director Reynolds	Aye
Director Flint	Aye

B. Recycled Water Update

Mr. Dickson recapped the October 19, 2015 Recycled Water Committee meeting that he had attended with Directors Coverdell and Reynolds. He discussed staff-developed financial scenarios suggesting that funding the recycled water project will require water/sewer ratepayer participation. He reminded the Board that currently there is only a guiding principles document available between the Sewer Authority Mid-Coastside (SAM) and Coastside County Water District (CCWD), and that an agreement needs to be developed between SAM and CCWD.

Brief discussion ensued regarding various elements of the potential recycled water project, followed by a public comment period.

<u>Clemens Heldmaier</u> - Stated that he felt that the cost of the project could be lower than indicated by staff's scenarios.

Each of the Directors made a few brief comments about the project, cost analysis and funding, risk assessment, potential additional customers, and the recent progress that has been accomplished among the agencies.

5) ADJOURNMENT

The Special Board meeting was adjourned at 3:26 p.m.

	Respectfully submitted,
	David R. Dickson, General Manager Secretary of the District
Chris Mickelsen, President Board of Directors

MONTHLY REPORT

To: David Dickson, General Manager

From: Joe Guistino, Superintendent of Operations

Agenda: November 10, 2015

Report

Date: November 4, 2015

Monthly Highlights

<u>Nunes Caustic Feed System</u> – Operations staff designed and constructed a precaustic feed system that will allow us to add alkalinity to the raw water to prevent aluminum residual carry-over in our treated product.

Denniston Filters Surface Wash Repair Project

The contractor is rendering mechanical repairs and media top-off and the plant should be ready to go back into production by the end of November.

Source of Supply

Crystal Springs was the only source of supply in October, supplying 56 million gallons (MG) of water.

System Improvements

Nunes Caustic Feed System

Treatment Staff completed the modification of the caustic soda feed system to allow for pre-dosing alkalinity to the raw water allowing for more complete hydroxylation of the alum coagulant with the resultant decrease in aluminum ion residual. The system is working as planned. The California Department of Water Resources is pleased.

Hydrant Replacement Program

Installed the final two hydrants as per our Capital Improvement Program (CIP), replacing the old style with new Clow 960s.

Other Activities Update:

Denniston Dam Repairs

Andreini Bros were contracted to install a temporary fix to the leak on the upper portal of the old operating shaft at Denniston Dam. The leak through the old redwood stop-logs had been getting worse over the course of the year. They affixed a ¾" steel plate over the opening to prevent a catastrophic spill in the event that the redwood stop logs failed completely. They had to go back in two weeks later to mitigate a substantial leak-by on one side of the plate.

Pilarcitos Well #1

Pilarcitos Well #1 was redeveloped in October and now provides a yield of 55 gallons per minute (gpm), twice the capacity from before it was refurbished. The District will recoup the cost of the repair in one year.

Pacific Ridge

A tailgate kickoff was conducted on 5 October and by the end of the month all mains and services had been installed for Phase 1 of this project. There were two tie ins associated with Phase 1 that required a small shutdown in the neighborhood. All went well.

Mutual Assistance

On the evening of Friday, 2 October, we received a request for a 6"x15" full circle clamp from Montara Water and Sanitary District. We had one available to lend to them. A new clamp was provided to us the next week.

Regulatory Agency Interaction

California Water Resources Control Board (CWRCB)

Received a brief reminder from our regulator that we need to take nitrate samples from Denniston Well #2 and Pilarcitos Well #3. I explained that we cannot take these samples due to the wells being inoperative and that we plan on their abandonment in the upcoming year.

Safety/Training/Inspections/Meetings

Meetings Attended

- 2 October Attended Coastside Emergency Action Program (CEAP) meeting.
- 5 October Pacific Ridge kickoff meeting with contractor and owner reps.
- 7 October Met with Calcon for update on present and future work
- 7 October Met with Aclara representative on Automated Meter Infrastructure (AMI) software.
- 14 October Met with Kennedy/Jenks on 50% design review of Denniston Pump Station and Transmission line.
- 16 October Met with Teter and San Francisco Public Utility Commission (SFPUC) reps on Stone Dam Pipeline project
- 20 October Met with Water System Optimization (WSO) on water loss project. 26-29 October – Attended California/Nevada American Water Works Association (CA/NV AWWA) fall conference

Tailgate safety sessions in October

- 5 October Backhoe Safety
- 13 October Jackhammer Safety
- 19 October Listen Up to Protect Your Hearing

CINTAS Safety Committee and Training

Our representative was unable to attend the Safety Committee Meeting in October.

The safety training in October was on Permit Required Confined Space Entry. Jahns and Whelen were in attendance.

Safety Inspection

The Coastside Fire Protection District inspected the Denniston Water Treatment Plant (WTP) on 29 October and found no violations.

Training

Treatment/Distribution Operators Jahns, Winch and Duffy attended a 2 hour class on Underground Service Alert (USA) notifications on Wednesday, 7 October.

Treatment/Distribution Operator Raymond Winch completed his training at Nunes WTP and is now taking part in the On-Call rotation.

Projects

Washington-Ventura Street Main Replacement Project

The Washington Street phase of this project has been on hold since 22 September. There are three 12 kilovolt (kv) direct bury high voltage lines that run across the path of the pipeline. PG&E will not allow us to get near the lines and are presently setting up for a power shutdown in the area on the first week of November. The City of Half Moon Bay (HMB) has been notified of the delay.

Denniston Filters Surface Wash Repair Project

The contractor started this project and was able to get most of the repairs completed by the end of October. They will be topping off the anthracite and greensand media the first part of November and the project should be complete by the time we are ready to start up for the rainy season.

Nunes Drying Bed Media Replacement Project

We have received all of the sand media and the bed can be put into service as soon as we complete the spreading of the media.

Denniston Booster Station and Bridgeport Drive Main Replacement Project

We met with Kennedy/Jenks on 14 October to go over the 50% design of the pump station and transmission main. 90% documents will be ready by 25 November with our next design review meeting to take place on 14 December. Final docs should be available by the beginning of January and the project should go out to bid on 2 February with a 3 March bid open date. Construction will take place from May-October 2016 with the project complete by the time we need to start Denniston in the late fall of 2016.

Stone Dam Pipeline

District Engineering Consultant Jim Teter and I met with Guido Ciardi and Mike Weisenburg of SFPUC at the Stone Dam pipeline site to discuss modifications to the temporary pipeline to render it more usable. They will allow us to connect to the aqueduct blow off valve downstream of the present Pilarcitos meter site and to bury the pipeline on the existing pathway down the hill to our property. We are presently awaiting guidance from the plan review committee as to the proper procedures to petition for an extension of our project as well as approval to proceed with the fixes that we have identified. We will be meeting with the SFPUC planning board in November.

STAFF REPORT

To: Board of Directors

From: Cathleen Brennan, Water Resources Analyst

Agenda: November 10, 2015

Report Date: November 4, 2015

Subject: Water Resources

Informational Report

New Water Shortage Data Available

Water systems with fewer than 15 household connections, including individual household wells or surface water supplies, are regulated at the county level. Local and state agencies started receiving anecdotal reports of household water shortages. To improve data collection and reporting of county regulated systems, the Department of Water Resources has created an integrated data system to track and report households reporting that their domestic water supply has failed from lack of water.

This table represents cumulative reports of household (domestic) water shortages by county in the coastal region reported to the state from January, 2014 through October 29, 2015. San Mateo County reported two domestic water supply outages.

COASTAL REGION

County	Reported Outages	Verified Active Outages	Reported Resolved/Interim Solutions Obtained
Alameda	1		
Contra Costa	5		
Del Norte	2		1
Humboldt			
Lake	1		
Marin			
Mendocino			
Monterey			
Napa	1		
San Benito			
San Francisco		No private w	rells in the county
San Mateo	2		
Santa Clara			
Santa Cruz		_	
Solano	2		
Sonoma			
Costal Subtotal	14		1

Cumulatively, there have been over 3,000 reported domestic water outages in the state. For more information for each region, please visit the state's website at https://mydrywatersupply.water.ca.gov/report/publicpage

Penalties Against Four Urban Water Suppliers

With the end of summer, the State Water Resources Control Board (SWRCB) issued enforcement actions against four urban water suppliers because they have consistently failed to meet their mandated water conservation goals.

Each of these four water suppliers has been issued a complaint for a \$61,000 penalty. Penalties are based on \$500 per day for violations of the state's emergency regulation. The Board has not issued any Cease and Desist orders to date.

The SWRCB is urging residential water users to continue with their efforts to be water efficient through the fall and winter months. This includes urging urban water suppliers to switch to a once a week watering schedule.
