SAN MATEO COUNTY RESOURCE CONSERVATION DISTRICT

helping people protect, conserve and restore natural resources since 1939

February 2008

Dear Coastside County Water District Customer,

The Pilarcitos Restoration Workgroup is developing an integrated watershed management plan to balance the beneficial uses of the Pilarcitos Creek watershed that protect the environment, agriculture, public health, domestic water supply, and economic interests. A public workshop was held on October 27th to review the initial assessment of the watershed and goals for a watershed plan.

Please join us for the second workshop, to provide input on the draft plan. The final workshop, next summer, will be to release the completed plan.

WHEN: Sunday, February 24th
2:00 p.m. - 5:00 p.m.

WHERE: Harbor House Conference Center
346 Princeton Avenue, Princeton
(by Half Moon Bay Brewing Company and Mezza Luna restaurant)
Go to www.harborhousebandb.com/map.html for directions.

RSVP: (650) 712-7765 or renee@sanmatorcd.org by February 20, 2008
Refreshments will be provided.

If you wish to review the draft plan before the workshop, it will soon be posted online at www.sanmatorcd.org/pilarcitos_iwmp.html. Hard copies may be reviewed at the Resource Conservation District and the Half Moon Bay Library.

There are many opportunities for you to get information or provide input:

Visit the web page, www.sanmatorcd.org/pilarcitos_iwmp.html.

Attend the public workshop on February 24th.

Ask questions or offer comments at any monthly public board meeting of the Resource Conservation District.

Attend any Pilarcitos Restoration Workgroup meeting.

Contact me directly at (650) 712-7765 or kellyx@sanmatorcd.org.

Your participation at any level is valued, as a successful watershed plan depends on insights from diverse stakeholders in the watershed. Please do not hesitate to contact me about the watershed plan, the Pilarcitos Restoration Workgroup, or the Resource Conservation District.

Kellyx Nelson Executive Director
