

STAFF REPORT

To: Coastside County Water District Board of Directors

From: David R. Dickson, General Manager

Agenda: December 11, 2018

Date: December 4, 2018

Subject: Award of Contract – 2 inch El Granada Pipeline Replacement Project

Recommendation:

Authorize General Manager to enter into a contractual agreement with Stoloski and Gonzalez, Inc. for \$88,950 to install 300 linear feet of 6-inch diameter ductile iron water main and appurtenant services, blow offs, tapping sleeves, valves, concrete and repaving work on Madrid Avenue and El Granada Boulevard in the unincorporated San Mateo County area of El Granada.

Background:

This project will replace old 2-inch galvanized mains in El Granada, as shown on the attached figures A and B, and will improve water reliability and water quality. District Engineer James Teter prepared plans and specifications for the work.

The results of the bid opening held on November 27, 2018, for the 2 Inch El Granada Pipeline Replacement:

Stoloski & Gonzalez, Inc.	\$88,950
Andreini Bros., Inc.	\$107,400
Kilford Engineering, Inc.	\$118,200
ECAST Engineering, Inc.	\$124,782
Northern Underground Construction, Inc.	\$181,172

The Engineer's estimate of the construction cost was \$110,000.

Fiscal Impact:

Funding for this project is included in the Fiscal Year 2018/2019 Capital Improvement Program Budget in the amount of \$60,000.
