

**ORDINANCE NO. 2020-01
OF THE BOARD OF DIRECTORS OF
THE COASTSIDE COUNTY WATER DISTRICT**

**APPROVING THE CHANGE FROM AT-LARGE TO ZONE-BASED
ELECTIONS FOR ELECTION OF MEMBERS OF THE BOARD OF DIRECTORS
COMMENCING IN NOVEMBER OF 2020**

This Ordinance is adopted in light of the following facts and circumstances, which are found and declared by the Board of Directors (Board) of the Coastside County Water District (District).

WHEREAS, the District is a Water District duly organized and operating pursuant to the County Water District Law, California Water Code sections 30000 *et seq.*

WHEREAS, the California Legislature in the County Water District Law provided for the formation, governance, and operation of County Water Districts, and the District was established in 1947 with boundaries including the City of Half Moon Bay and the unincorporated communities of Princeton, Miramar and El Granada.

WHEREAS, under the District's enabling legislation, the Board provides for the development and provision to its customers of high quality water and service at the lowest possible price, in accordance with the following values: reliability and sustainability of system facilities; the timeliness of District policies, procedures, actions and decisions; a 50-year outlook when replacing infrastructure; the legality of all District actions and behaviors; and, a culture of openness, fairness and inclusiveness.

WHEREAS, the Board seeks to manage the District in a manner to maximize efficiency and to ensure delivery of quality services to residents of the District it serves.

WHEREAS, the Board currently is comprised of 5 directors who serve 4-year staggered terms and are elected in even-numbered years pursuant to Water Code sections 30500 and 30501, and Elections Code section 10505.

WHEREAS, the District's enabling legislation mandated that the directors be elected at large.

WHEREAS, voter participation in the election process for Board members is of the utmost importance, and the Board desires to encourage the fullest voter participation in elections of Board members.

WHEREAS, the Board desires that its members represent the interests and wishes of all residents within the jurisdiction of the District, and that the community have confidence that the Board continues to represent the interests and wishes of the District.

WHEREAS, three Director positions are set to be on the ballot in November of 2020, and the remaining two in November of 2022.

WHEREAS, while the Board had no information as to whether polarized voting exists in the District, the Board elected to forego the process of obtaining demographic data to make that determination, and instead passed a resolution on November 25, 2019, declaring its intention to change its electoral system for election to the District Board to a zone-based system from the current at-large system by the November 2020 election.

WHEREAS, the District engaged a demographer, National Demographic Corporation (NDC), to draw maps and to assist with converting to zone-based elections, and utilized the streamlined procedure laid out in Election Code sections 10010 *et seq.* to move from its prior at-large system to a zone-based system.

WHEREAS, it is the District's intention to establish 5 zones which: are in compliance with one person, one vote requirements; are intended to ensure the opportunity of the District's minority groups with respect to their effective exercise of the electoral franchise; and, include consideration of topography, geography, cohesiveness, contiguity, integrity and compactness of territory, non-disturbance to existing precincts for purposes of implementation, as well as maintaining vital communities of interest.

WHEREAS, the Board held two duly noticed public hearings on December 10 and 17, 2019, to solicit input from the community as to how the zones should be drawn in light of the factors outlined in the prior paragraph, at which NDC and legal counsel were available to answer questions from Board members and the public.

WHEREAS, after receiving that input, NDC drew 3 potential zone maps to satisfy the legal requirements of equal population among the zones and other accepted demographic principles to comply with both California and Federal law, and these maps were posted on January 7, 2020, and reviewed and discussed at a January 14, 2020 public hearing called for that purpose.

WHEREAS, at the January 14, 2020 public hearing, NDC presented the maps to the Board and to the public and recommendations as to which zones would elect directors in 2020 and 2022 to best honor the spirit of the California Voting Rights Act, and along with legal counsel was available to the Board and to the public for additional information and to answer questions.

WHEREAS, at the January 14, 2020 hearing, input was gathered on the three NDC maps that were presented with suggestions for additional maps.

WHEREAS, on January 21, the District posted two new maps drawn by NDC for discussion at a public hearing on January 28, 2020.

WHEREAS, at the January 28, 2020 hearing, NDC presented the two new maps to

the Board and to the public and recommendations as to which zones would elect directors in 2020 and 2022 to best honor the spirit of the California Voting Rights Act, which were explained and discussed with both NDC and legal counsel available to provide additional information and to answer questions.

WHEREAS, the Board held a third public hearing on February 11, 2020 for the purpose of providing information about the maps that NDC had drawn and considering recommendations as to which zones would elect directors in 2020 and 2022 to best honor the spirit of the California Voting Rights Act, and to answer any questions that the Board or the public may have and both NDC and legal counsel were present.

WHEREAS, at its regularly scheduled Board Meeting on February 11, 2020, the Board considered the precise contours of the five zones for the election of members of the Board of Directors of the District including the map known as Blue 2 (attached hereto as Exhibit A), which complies with all Federal, State and local laws and regulations, and will ensure that all in the District may effectively exercise their electoral franchise to elect candidates of their choice in conjunction with the considerations of topography, geography, cohesiveness, contiguity, integrity and compactness of territory, as well as maintaining vital communities of interest.

WHEREAS, at its regularly scheduled Board Meeting on February 11, 2020, the Board also considered which of the 5 zones would be electing directors in 2020 (and every four years thereafter) and which would do so in 2022 (and every four years thereafter).

WHEREAS, the San Mateo County Elections Department will be provided with the information necessary by the District staff, NDC, and legal counsel, to ensure that this zone-based election system is implemented for the November 2020 election, and every two years thereafter.

Now, therefore, be it ordained by the Coastside County Water District Board of Directors as follows:

1. The District declares that the change in the method of electing its Board members from at-large to zone-based elections is being made in furtherance of the purposes of the California Voting Rights Act.
2. The District establishes an electoral system with zone-based elections for the election of its Board members commencing in November 2020 with five (5) zones as shown on the Blue 2 map, which is attached as Exhibit A and incorporated by this reference.
3. The sequence of elections for each of the five zones will be as follows:
(A) District Board member elections for zones 1, 3, and 4 will be in 2020, and every four years thereafter; and (B) District Board member elections for zones 2 and 5 will be in 2022, and every four years thereafter.

4. All candidates and Board members of the District must reside in, and be a registered voter in, the electoral zone in which she or he seeks to serve or serves.
5. The General Manager is authorized to take all actions necessary to give effect to this Ordinance, including, for example, providing information to the County of San Mateo Registration and Elections Division.

This Ordinance is adopted at a Regular Meeting of the Board of Directors of the Coastside County Water District held this 11th day of February 2020, by the following vote:

AYES: Directors Larimer, Coverdell, and Feldman, Vice-President Reynolds and President Mickelsen

NOES:

ABSENT:

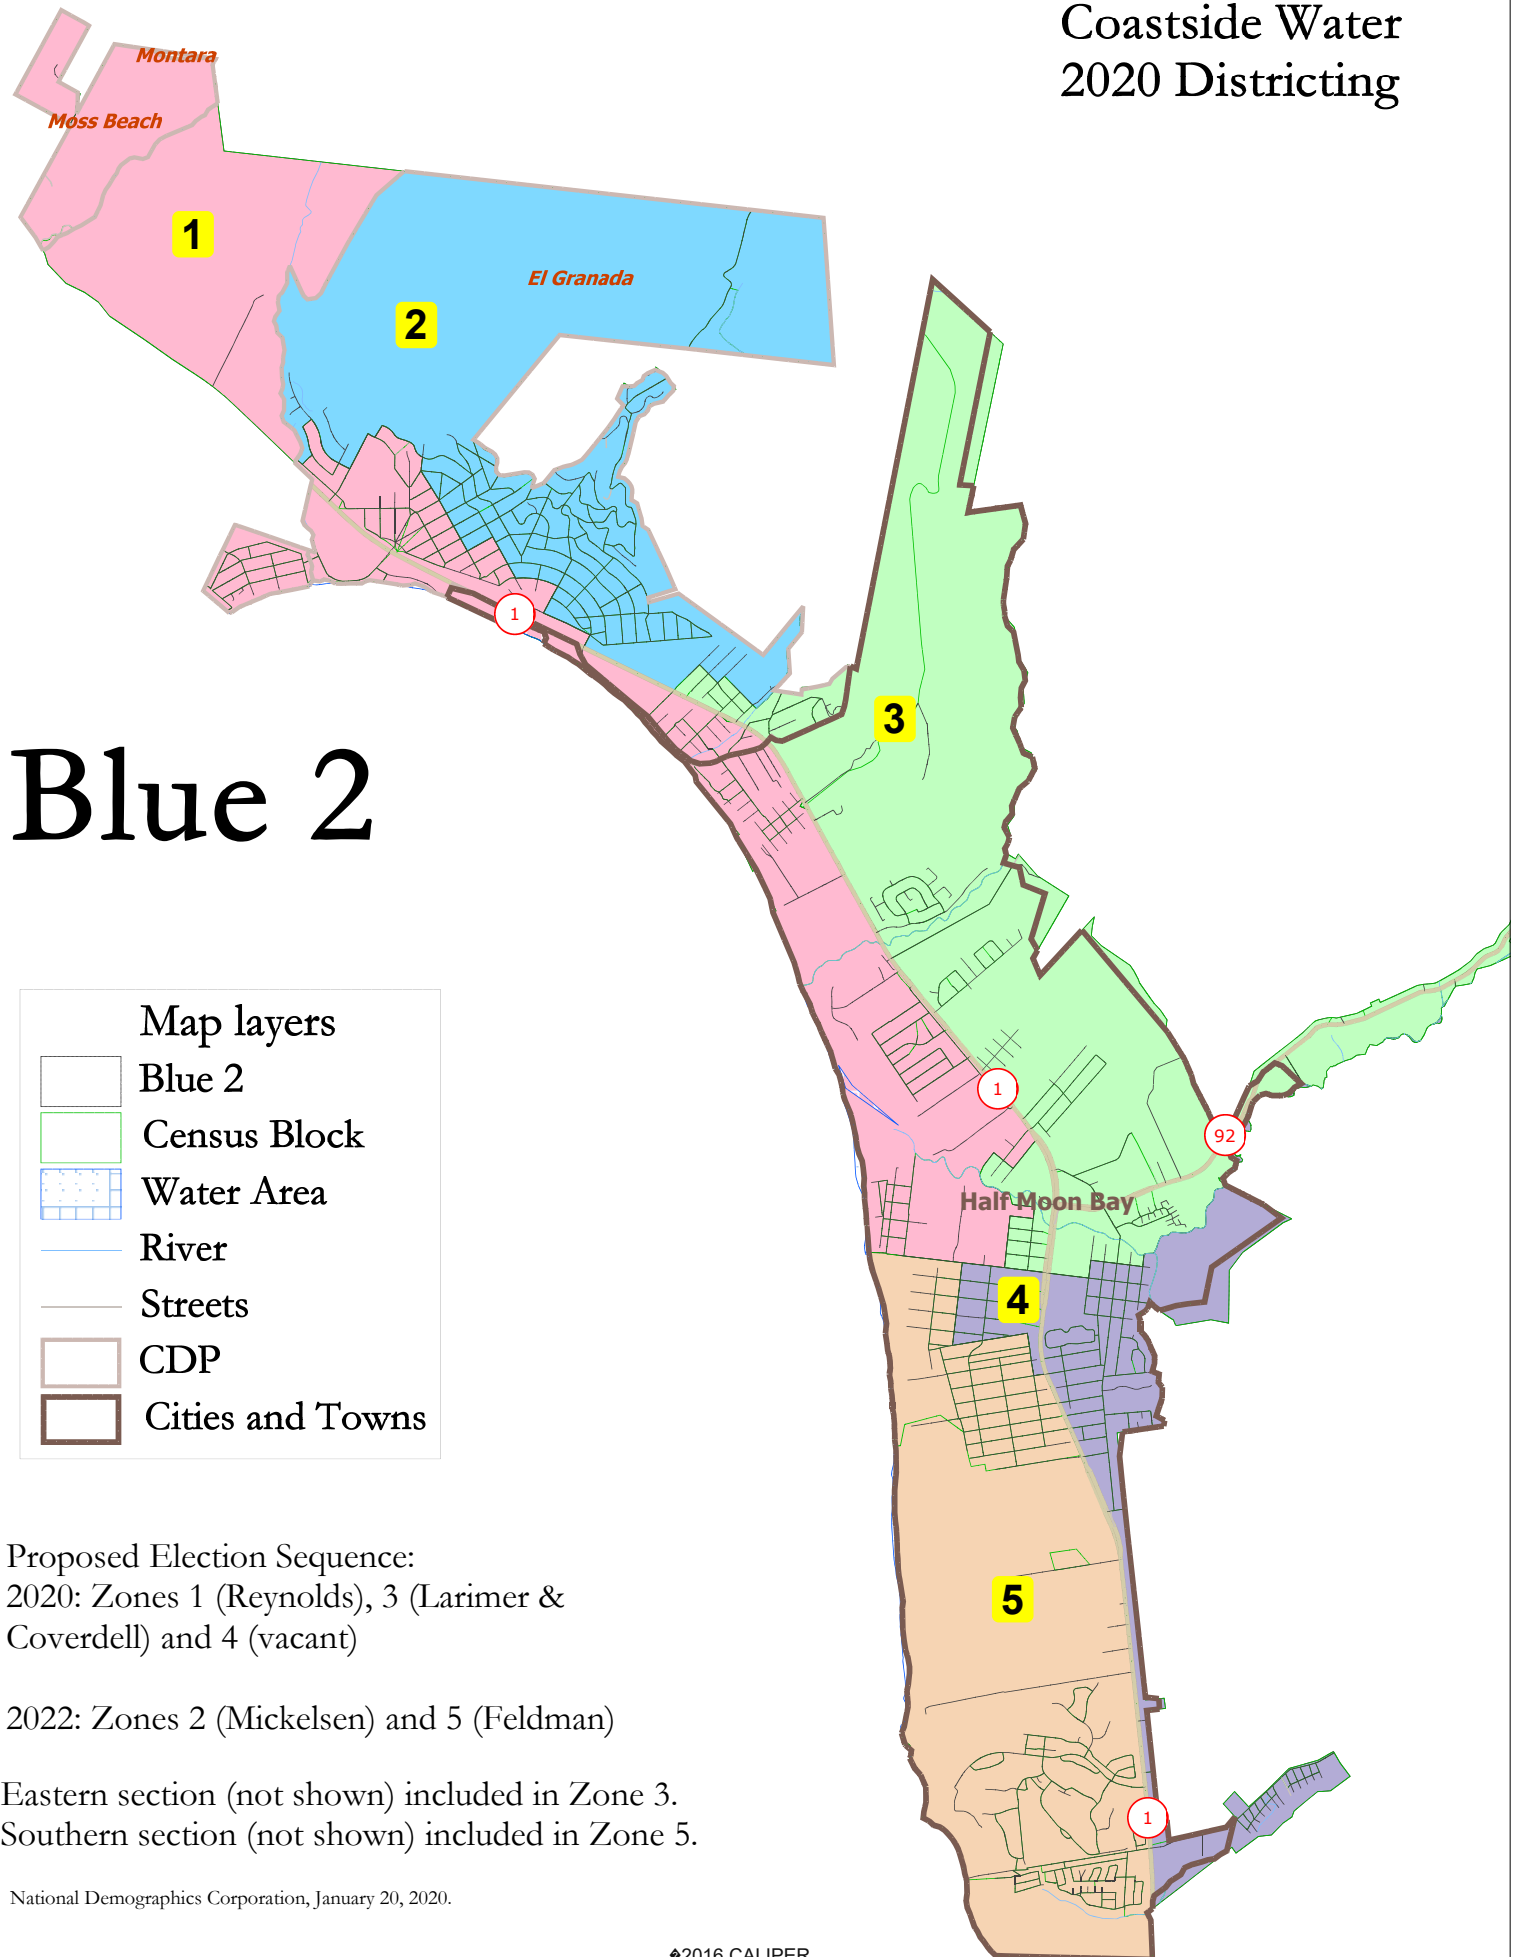

President, Board of Directors
Coastside County Water District

ATTEST:

Secretary of the Board of Directors
