

STAFF REPORT

To: Coastside County Water District Board of Directors

From: Mary Rogren, General Manager

Agenda: September 8, 2026

Report Date: September 4, 2026

Agenda Title: Purchase of Hydrants from Underground Republic Water Works, Inc.

Recommendation/Motion:

Authorize the General Manager to procure 27 Clow 2065 bronze wet barrel hydrants for \$138,541.39 from Underground Republic Water Works, Inc.

Background:

The District's Capital Improvement Program (CIP) includes \$140,000 annually for hydrant replacement. The District currently owns and maintains 680 hydrants throughout its service area.

As part of a comprehensive hydrant inventory completed in 2026, staff identified 56 remaining dry barrel hydrants that require replacement. Since 2020, District staff have upgraded just over 200 hydrants as part of the ongoing hydrant replacement program.

To obtain competitive pricing for the hydrants, staff requested quotes from four vendors. At \$4,670.00 per hydrant, Underground Republic Water Works, Inc. submitted the lowest responsive quote.

Fiscal Impact

The District's Capital Improvement Program includes \$140,000 in Fiscal Year 2026-2027 for this purchase.
