| **Agenda Title:** | A Resolution of the Board of Directors of the Coastside County Water District Expressing Appreciation to Robert Feldman for his Sixteen Years of Leadership and Dedicated Service |

---

**Recommendation/Motion:**

**Approve the attached Resolution 2026-08 expressing appreciation to Director Robert Feldman for his sixteen years of leadership and dedicated service.**

**Background:**

On behalf of the District's entire staff, I would like to express our appreciation and acknowledge Director Feldman for his numerous contributions to the District. Director Feldman initially served as Director from August 2006 through November 2011. In April 2016, he was once again appointed to serve on the Board of Directors to fulfill the remainder of the term created by the resignation of Steve Flint. He was appointed (in lieu of election) again in 2018 and 2022.

Director Feldman's dedication to the District; his commitment to good governance and the fiscal health and resiliency of the District's water supplies; his support of critical infrastructure investments; and his thoughtful financial guidance in balancing the District's 10-year Capital Improvement Program with its demonstrated capacity to deliver projects and expend funds in a timely manner (the "Feldman" factor) -- will be recognized and appreciated for many years to come.

Staff has prepared for the Board's consideration a resolution recognizing Director Feldman's many accomplishments and expressing the District's gratitude.
