

**Assignment of Rights
Under Water Service Connection
Purchase Agreement
Or Transfer of Water Service Connections**

New Owner(s): _____

(Assignor) _____

(Print Name of Person Transferring Connections)

entered into a water service Purchase Agreement dated as of **February 10, 1988**, with Coastside County Water District for the purchase of water service connections for the use at property within the District.

NOTE

Assignor and Assignee both agree that Coastside County Water District is not a party to this Assignment of Assumption nor is it a party to contract or agreement between wither Assignor or Assignee and any other party. Assignor Assignee agree to defend and to hold District harmless from any costs or damages of any kind, including attorney's fees, arising from this assignment including, without limitation, any claim that the assignment is a breach of contractual or other duty owed by Assignor or Assignee to each other or to any third party.

Check the Appropriate Box:

Sale of Property

Assignor intends to sell, or has sold, property for which a service connection has been purchased to _____(Assignee) and to assign its rights to water service for such property and to all sums paid to the District to Assignee.

Assessor's Parcel Number (APN)	Number of Connections	Size of Connections

Transfer of Connections to Member of Immediate Family

_____ (Assignor)

intends to transfer the following service connection(s) to

(name) _____ (relationship) _____

for the use on other property pursuant to District regulations and has applied to the District for permission to do so.

Number of Connections	Size of Connections	Name of Assignee	New Location of Use (APN)

In conjunction with such transfer, Assignor intends to assign its rights under the Water Service Connection Purchase Agreement (including all sums paid to District) to Assignee.
